President Lyndon B. Johnson issued the first Hispanic Heritage Week Presidential Proclamation the same day.

### Collecting Donations

September is World Alzheimer's Month. Alzheimer's is the most common form of dementia. The aim of the month is to raise awareness and challenge stigma surrounding Alzheimer's and dementia. The event has been running since 2012, and September 21st is World Alzheimer's Day. Globally there is thought to be poor understanding and a great deal of stigma surrounding dementia, so the work of World Alzheimer's Month is vital. It's targeting the lack of understanding and knowledge surrounding Alzheimer's disease and dementia, as well as supporting those suffering with the disease. In honor of this, we will be collecting donations at the Welcome Desk for the entire month of September, with all proceeds going directly to the Alzheimer's Association. Thank you for your support and generosity!
